

Lorelei

You shone out of the darkness

The light in your eyes.

I could not help myself

I did not want to try.

Like the singing of the Lorelei

Your voice rang clear and true

Mystery and danger was all I got from you.

Oh, you mesmerize me, oh, you tantalize me,

Like the singing of the Lorelei.

And you knew everything that

There was to know about me.

Like the singing of the Lorelei

Your voice rang clear and true

Mystery and danger was all I got from you.

Oh, you mesmerize me, oh, you tantalize me

Like the singing of the Lorelei.
