

Goodbye Baby, Hello Friend.

I'll never write another song

'Till someone new comes along

The very thought of losing you

Is too much for me too.

The other day when you got mad,

It made you happy to see me sad

I wish to tell you it's still the same,

Still playing that same old game.

So goodbye baby, hello friend,

It's good to meet you after all this time

Goodbye baby, hello friend,

It's good to see you again.

Those days and nights I lost,

Thinking 'bout what to do

When all it's really down to, baby,

Is saying that we're through.

So give your love to the birds,

Speaking of four-letter words.

Do you hear what I say to you ?

I'm not in love with you.

So goodbye baby, hello friend,

It's good to meet you after all this time

Goodbye baby, hello friend,

It's good to see you again.
