

## **No Water in the Well**

**I feel so blue,  
After all that we've been through  
You always had it made,  
But still you betrayed  
And now I see into your heart,  
And it looks like there's no water in the well.**

**You tied me down to just one love,  
Making out that you were true.  
Your fire makes me cry,  
My tears will never dry  
Now there's no doubt in my mind,  
And it looks like  
There's no water in the well.**

**If you let the river flow,  
Oh God, just let me know.  
Your time it will come,  
And it looks like there's no water in the well.**
