

## **Kelly's Away With The Fairies**

**A kinetic girl came to stay just for a day or two**

**Sleeping in the room of my very good friend**

**But a little too soon for him –**

**I know he wasn't ready for you, he gets too high and low**

**And I can see its just a matter of time before your brain-box  
meets mine**

**Kelly's away with the fairies**

**Its just you and me here at home**

**I think we're both into sharing**

**I like your skin and your bones, oh, oh, oh**

**Now why do have to be quite so helpful ? - I think you like me –  
yeah ?**

**"Would you like a cup of tea ?" "Would you just come with me  
?"**

**"Can you help me to choose which one ?'**

**"I can show you how it goes" -"I used to have one of those"**

**"Why do you have to leave when we're having so much fun ?"**

**Kelly's away with the fairies**

**Its just you and me here at home**

**I know we're both into sharing something**

**Like our skin and our bones ? oh, oh, oh**

**Now you be careful how you go - You put out a lot you know**

**You're a very magic person and you don't want to be cursed**

**On account of something you may know**

**I'm sorry about my friend, but you know that in the very end**

**All is well that ends well, com se, com sa,**

**If you've got it you might as well spend it.**

**Kelly's away with the fairies**

**But he gave us something to share**

**The cost of a heart-ache**

**Now what did you find in the value of one more affair ?**
