

Keeper of the Light

Mother 's first look to the eyes of a child

Casts the die of destiny.

It's a perfect life she gives to you,

Not to lose so innocently.

Leading the way, she rises above

Unexpected adversity.

I hear her calling, Keeper of the Light,

The words of warning, thunder in the night

I hear her calling, guarding what is right

I see the way ahead, Keeper of the Light.

A silhouette on the skyline,

A symbol of your liberty,

Protecting time, years passing by,

Mother knows, never lies.

A better life the children will see,

A world of change, full of hope and sympathy.

I hear her calling, Keeper of the Light,

The words of warning, thunder in the night

I hear her calling, guarding what is right

I see the way ahead, Keeper of the Light.
