

**Why Don't We ?**

**Why don't we get some answers**

**Stop messin' around with our lives ?**

**We hear the same old story, where's the glory ?**

**It's our lives, it's our lives**

**Changes are vital, do we care ?**

**It's taking far too long - maybe we're there ?**

**Start walking with our time, if you dare**

**There is a ripeness, for "yes", everywhere.**

**Why don't we, why don't we, open our eyes ?**

**Why don't we, why don't we, share this time ?**

**Why don't we, why don't we, change our minds ?**

**Why don't we, why don't we, share our lives ?**

**Harnessed in a sweet surrender - never wanted this illusion in our lives.**

**Trials and tribulations, familiar conversations**

**In our lives, in our lives.**

**Competing against everyone, a trap, that will ensnare.**

**Betraying nature, no solution, so beware!**

**How can it be this way ? it shouldn't be so.**

**Surviving day after day, unwilling to fore-go.**

**Why don't we, why don't we, open our eyes ?**

**Why don't we, why don't we, share this time ?**

**Livin' with a global village, aware of the unexpected**

**In our lives.**

**Transforming greed and pillage, not to be rejected**

**It's our lives, it's our lives !**

**Changes are vital, do we care ?**

**It's taken far too long - maybe we're there ?**

**Start walking with our time, if you dare.**

**There is a rightness for "yes", everywhere.**
