

## **Helpless**

**Ooh, there's something happening, ooh**

**Ooh, there's something happening, ooh**

**Won't you take my love forever**

**Won't you take my love for you**

**Won't you take my love together**

**Won't you give me your love too ?**

**I will give you my love gladly**

**And I hope you'll give me yours**

**Somehow we can live together**

**Could not love you any more**

**I'm so helpless, helpless -**

**I can feel you're helpless too**

**I'm so helpless, helpless -**

**So helpless without you.**
