

Queen of Torture

Has anybody seen my baby

Kickin' around the town?

She's the queen of torture, yeah,

Yeah, you know she put me down

Has anybody seen my woman

Hangin' round the streets?

She ain't been home for oh, so long

She walked right out on me. Yeah, yeah, yeah, yeah, yeah.

Has anybody seen my woman

Out around the city?

She ain't been home for two weeks now,

Yeah that's such a pity.

Has anybody seen my baby

Kickin' around the town?

She's the queen of torture, yeah,

Yeah, you know she put me down yeah, yeah.
